RTP, NC 27709

Subject: Label Amendment – Addition of Grape Use Sublabel  
Product Name: INDAZIFLAM 200 SC HERBICIDE  
EPA Registration Number: 264-1106  
Application Date: 11/22/2016  
Decision Number: 524422

Dear Ms. Delaney:

The amended label referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended, is acceptable. This approval does not affect any conditions that were previously imposed on this registration. You continue to be subject to existing conditions on your registration and any deadlines connected with them.

A stamped copy of your labeling is enclosed for your records. This labeling supersedes all previously accepted labeling. You must submit one copy of the final printed labeling before you release the product for shipment with the new labeling. In accordance with 40 CFR 152.130(c), you may distribute or sell this product under the previously approved labeling for 18 months from the date of this letter. After 18 months, you may only distribute or sell this product if it bears this new revised labeling or subsequently approved labeling. "To distribute or sell" is defined under FIFRA section 2(gg) and its implementing regulation at 40 CFR 152.3.

Should you wish to add/retain a reference to the company's website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance.

Your release for shipment of the product constitutes acceptance of these conditions. If these conditions are not complied with, the registration will be subject to cancellation in accordance

Decision No. 524422

with FIFRA section 6. If you have any questions, please contact Sarah Meadows at 703-347-0505 or via email at [meadows.sarah@epa.gov](mailto:meadows.sarah@epa.gov).

Sincerely,

A handwritten signature in blue ink, appearing to read 'Reuben Baris', with a stylized flourish at the end.

**ACCEPTED**

**03/23/2017**

Under the Federal Insecticide, Fungicide,  
and Rodenticide Act as amended, for the  
pesticide registered under  
EPA Reg. No. 264-1106

**Indaziflam 200SC Herbicide**  
**ABN: Alion® Herbicide**

**EPA Reg. No. 264-1106**

**For Use On: Grape Vineyards**

*This supplemental label expires on 11/21/2019 and  
must not be used or distributed after this date.*

**Supplemental Label**

**KEEP OUT OF REACH OF CHILDREN**  
**CAUTION**

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Do not apply this product in a way that will contact workers or other persons, either directly or through drift. Only protected handlers may be in the area during application. For any requirements specific to your State or Tribe, consult the agency responsible for pesticide regulation. Read this label and the product package label before using this product. This Supplemental Label must be in the possession of the user at the time of pesticide application. Follow all applicable directions, restrictions, Worker Protection Standard requirements, and precautions on the product label for Indaziflam 200SC Herbicide attached to the container.

**APPLICATION DIRECTIONS FOR USE IN GRAPE VINEYARDS**

Only use Indaziflam 200SC Herbicide in established vineyards at least three years after the vines have been planted and exhibiting normal growth and good vigor. Ensure that the grapes have 6 inches of soil barrier between the soil surface and the major portion of the root system prior to using Indaziflam 200SC Herbicide or injury may occur.

**Dose Rate Chart for Grape Vineyards**

Soil Texture	Indaziflam 200SC Herbicide (fl oz product / broadcast acre)			Minimum Vine Age
Sand	Do Not Use			
Any other soil except those that contain 20% or greater gravel content	<b>Soil Percent Organic Matter Content</b>	<b>Rate Per Application</b>	<b>Max Rate Per Year</b>	3 years
	<b>%</b>	<b>fl oz/A</b>	<b>fl oz/A</b>	
		3.5 to 5.0 (0.045 to 0.065 lb ai/A)	5.0 ( 0.065 lb ai/A)	
	<1			
		3.5 to 5 (0.045 to 0.065 lb ai/A)	5 (0.065 lb ai/A)	
	≥1			

**Do not apply more than the amount of Indaziflam 200SC Herbicide specified per application and per year or in a 12 month period on this label based on soil texture, percent organic matter content, application site, and crop.**

**Do not use** in grapes grown in Florida or Georgia.

**Do not use** in grapes grown on sand.

**Do not use** on soils with 20% or more gravel content.

**Do not apply** more than a total of 5.0 fl oz product/A (0.065 lbs ai/A) per year or in a 12 month period when used in grape vineyards.

When making more than one application per year, allow a minimum of 90 days between applications.
